CHAMPS System Atypical Provider Enrollment**

DATE: December 6, 2017

ATYPICAL PROVIDERS

Atypical providers: Provide support services for beneficiaries. These providers generally do not have professional licensure requirements, and may not have an NPI. If a provider type is currently unavailable as an option in CHAMPS, it does not mean the provider is not required to enroll, only that the provider type *is not currently being accepted for enrollment in CHAMPS. This includes, but not limited to: Adult Foster Care providers, Specialized Residential providers, and Community Living Supports providers.*

Please be advised, your organization is not required to be registered in CHAMPS at this time.

You will be notified when your organization is required to be registered in CHAMPS.
