The CEO Search Committee of the Board of Directors for the Detroit Wayne Mental Health Authority (DWMHA) will be conducting interviews for our candidates for President and CEO.

The Board of Directors has hired the firm BE Smith, who has conducted a national search that yielded 104 applicants. The search firm has done their due diligence to narrow the applicant pool to a list of qualified applicants of five individuals:

1. Willie Brooks, Executive Director and CEO at Oakland Community Health Network
2. Joy Calloway, President & CEO at New Center Community Mental Health
3. K. Bobbi Carbone, Independent Healthcare Consultant
4. Michael Garrett, President and CEO at Community Network Services
5. Dale Klatzker, Senior Vice President at Care New England Health System

Candidates have gone through the preliminary selection process with our search firm. We think it is vital that members of our community stakeholders, provider network, advocacy groups, consumers and staff have an opportunity to be involved in this process. Candidates will be interviewed by various members of the aforementioned organizations and community groups.

All interviews are open to the public and will take place at:
