May 2018

Hello,

Dreams Come True (formerly the George Gaines and Roberta Sanders Fund for Community Inclusion) is a project of the Detroit Wayne Mental Health Authority (DWMHA) Constituents' Voice (CV) consumer advisory group. The fund is a resource of last resort. It was created to support Detroit-Wayne consumers/members achieve a personal goal toward community inclusion i.e., the personal sense of valued participation and interaction in everyday life.

The mini-grant was established in 2014 and to date has given out more than \$10,000 in monetary awards to individuals striving to achieve their dreams. Award recipients have used the grants to attend driving schools to obtain their driver's license, start micro-enterprises, earn degrees, purchase assistive technology to communicate with others, and more. This year the CV aims to double its efforts.

As we move forward, we hope that you will agree to be a part of helping others to fulfill their dreams. On June 23, 2018, the Constituents' Voice will host the Dreams Come True Variety Show. In addition to your generous monetary donation, we want to encourage you and yours to attend, supply an item from the wish list included and/or audition to perform in the show. With your generous support, we can empower many more individuals who have been historically limited from achieving their hopes and dreams.

For questions, please feel free to contact the CV Liaison, Donna Coulter, PhD, Director of the DWMHA Office for Peer-Participant Advocacy. The best way to reach her is via email at dcoulter@dwmha.com.

Sincerely,

DWMHA Constituents' Voice
