Consumer Provider Fairs Continue as New Center Community Services Closes Its Doors

The Detroit Wayne Mental Health Authority (DWMHA) was informed recently that New Center Community Services (NCCS) will no longer be providing behavioral health services effective Monday, May 14, 2018.

DWMHA continues to be committed to providing quality behavioral health services to individuals currently served by New Center. DWMHA staff will be working to ensure a smooth transition of care, with no interruption in service, for all consumers to a new Provider that meets their healthcare needs.

DWMHA and CareLink staff held four (4) Provider Fairs this week to assist consumers in selecting a new provider that met their healthcare needs. Next week, additional fairs will be held at the following dates and times:
