**RE: Enrollment of Limited Licensed Rendering Providers in the
Michigan Department of Health and Human Services
CHAMPS System**

DATE: February 14, 2018

TYPICAL PROVIDERS

Typical providers: Professional health care providers that provide health care services to beneficiaries. Typical providers must meet education and state licensure requirements and have assigned National Provider Identifiers (NPIs). Examples of typical provider types include, *but are not limited to*: physicians, physician assistants, certified nurse practitioners, nurses, social workers, psychologist, licensed professional counselors, dentists and chiropractors.

Please be advised of the following, CHAMPS system is now available and is ready to accept the enrollment of limited licensed healthcare professionals rendering Medicaid covered services.

If you have any questions, please forward them to mallix@dwmha.com
