CHOICES provides individual, family and group counseling services to youth, parents and families. Treatment services are office-based and community-based.

Who is Eligible?

CHOICES provides treatment services to youth who have come to the attention of the school, family and juvenile justice systems. CHOICES also has the ability to provide services to any youth eligible for Community Mental Health services. Flexible appointment times are available.

CHOICES employs a diverse team of licensed, Master's level clinicians who offer an array of expertise. Our staff are culturally sensitive and reflect a range of life experiences. Most staff have been trained in providing Trauma Focused-Cognitive Behavior Therapy (TF-CBT) as well as other evidence based models.

CHOICES commonly addresses the following

- Adjustment Disorders
- Conflict Resolution
- Grief & Loss
- Decision Making
- School Truancy
- Substance Abuse/Co-occurring Disorders
- Anger Management
- Parent-Child Relational Problems
- Identity Challenges
- Mood Disorders
- Behavior Disorders
- Trauma-related Disorders

The mission of Assured Family Services/JAC is to be the source of accurate information and competent recommendations that identify the unique needs of referred youth and families in Wayne County and enable community organizations to restore successful living, increase healthy development and promote safer communities. We envision every child having the opportunity to pursue a full life.

Assured Family Services is accredited by the Council on Accreditation (COA).
