to Become a
Detroit Wayne Mental Health Authority
Committee Member**

The Detroit Wayne Mental Health Authority (Authority) supports people who receive services involvement, advocacy, and participation through a variety of activities. These activities are held, sponsored or organized in collaboration with the Authority through various committees and groups; e.g. the Constituents' Voice, the Quality Steering Committee and the Self-Determination Workgroup, etc.

The Detroit Wayne Mental Health Authority also supports people who receive services, their family members and advocates in the involvement of the design, delivery and evaluation of the mental health system. Many of these activities are created, planned, implemented and monitored as the result of committee involvement. In an effort to encourage and ensure people who receive services participation in all areas of the system, the Authority has centralized its process for recruiting new members to the Authority's various committees.

If you are interested in learning more about Authority committee vacancies and how you may be considered for participation, please fill out this application and submit it to:
