**New Center Community Services Closes After 40 Years of Services In Wayne County**

The Detroit Wayne Mental Health Authority (DWMHA) was informed that New Center Community Services (NCCS) will no longer be providing behavioral health services effective Monday, May 14, 2018.

DWMHA continues to be committed to providing quality behavioral health services to individuals currently served by New Center. DWMHA staff will be working to ensure a smooth transition, with no interruption in service, for all consumers to a new Provider that meets their healthcare needs.

“DWMHA is committed to working closely with staff and consumers from New Center Community Services and CareLink (their Manager of Comprehensive Provider Network) in ensuring that the nearly 4800 consumers receiving services through NCCS will be connected to a new Provider of their choice.”
